Reasons for Refusal

1. Retention of the detached two-storey structure containing habitable accommodation and ancillary residential uses does not comply with the provisions of DM POL 15 and DM OBJ 49 of the Meath County Development Plan 2021-2027 relating to family flat accommodation. The structure is physically detached from the principal dwelling and does not form an integral part of the main house, as required by the Development Plan. Furthermore, insufficient information has been provided regarding a need for the family apartment and the capacity of the existing wastewater treatment system to accommodate additional residential use on the site. The development would therefore be contrary to the stated objectives of the Development Plan and to the proper planning and sustainable development of the area.
2. The development for retention comprises of a garage structure which does not accord with plans as approved under Pl. Ref. DA30480 and DA50118. The Planning Authority is therefore precluded from granting retention for the conversion of the 'as built' structure into habitable accommodation on the basis that same is unauthorised.
