### **Reason for Refusal**

1. It is a policy of the Meath County Development Plan 2021–2027 under RD POL 30, “*To promote the viable re-use of vernacular dwellings without losing their character and to support applications for the sensitive restoration of disused vernacular or traditional dwellings*”. It is also policy under RD POL 32, “*To oppose the demolition and replacement of traditional or vernacular rural houses in order to protect the varied types of housing stock in rural areas of the County and to preserve the rural built heritage*”. Having regard to the design, scale and form of the proposed development, and more specifically, the proposed demolition of an existing vernacular structure rather than its sensitive restoration and integration, it is considered that the development would materially alter and detract from the established vernacular nature of the subject site and surrounding area. The proposed development would therefore be contrary to the above policies and would be contrary to the proper planning and sustainable development of the area.
